

All,

In one of our previous meetings, there were some discussions about retired officers who may want part time work within the different counties in District 7.

We are getting very close to starting our solicitation expansion on Jan 2, 2009. If there's anyone who is associated with our District 7 Lodge's (FOPA or FOP Retired Members) who is looking for a part time or full time job picking up solicitation checks from businesses that have pledged a donation within District 7, please forward them to me or give them my contact information.

Best Regards,

Matt
